The parties, through their below counsel, hereby present this Joint Motion seeking an Order Staying all proceedings in this case except for such proceedings as are necessary for approval, completion, and implementation of Parties' proposed class action Settlement, which was submitted to the Court on February 7, 2011.

DISCUSSION

The Parties recently finalized and executed a Stipulation and Settlement Agreement of Claims ("Stipulation"). On February 7, 2011, Plaintiffs filed an unopposed motion for preliminary approval of the class action settlement. (Docket Entry #51). On February 9, 2011, the Court granted Plaintiffs' motion, setting May 20, 2011 as the deadline for filing and serving a motion for final approval of the settlement and setting the Final Approval Hearing for June 23, 2011. (Docket Entry #53). The Stipulation preliminarily approved by the Court includes a provision wherein the Parties agree "to hold in abeyance all proceedings in the Action, except such proceedings necessary to implement and complete the Settlement, pending the Final Approval Hearing to be conducted by the Court."

WHEREFORE, based on the Parties' Stipulation and the Court's preliminary approval of the settlement, the Parties respectfully request that this Honorable Court stay all

proceedings except for such proceedings as are necessary for approval, completion, and implementation of Parties' proposed class action Settlement.
